ANOTHER WOMAN CURED

By Lydia E. Pinkham's Vegetable Compound

Gardiner, Maine.—"I have been a great sufferer from organic troubles and severe female weakness. The doctor said I would have to go to the hospital, but I could not bear to think of it. I decided to try Lydia E. Pinkham's Vegetable Compound and Sanative Wash—and was entirely cured after three months' use of them."—Mrs. S. A. WILLIAMS, R. F. D. No. 14, Box 39, Gardiner, Me.

No woman should submit to a surgical operation, which may mean death, until she has given Lydia E. Pinkham's Vegetable Compound, made exclusively from roots and herbs, a fair trial. This famous medicine for women has for thirty years proved to be the most valuable tonic and renewer of the female organism. Women residing in almost every city and town in the United States bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound. It cures female ills, and creates radiant, buoyant female health. If you are ill, for your own sake as well as those you love, give it a trial.

Mrs. Pinkham, at Lynn, Mass., invites all sick women to write her for advice. Her advice is free, and always helpful.

FURNITURE PIANOS and ORGANS

Anything you are looking for in the Furniture line may be found in our store. We are offering special bargains in Parlor and Porch Furniture.

There is No Lack of Pianos!

The country is full of them, good, bad and indifferent, and it is easy to find a big range of prices, some very high and some very low, but such good Pianos like the SMITH & NIXON, EBERSOLE and KOHLER & CAMPBELL are not to be found in one store every day. In fact, we doubt very much if they can be found any day or anywhere but in our store. Satisfaction is what you get when you buy one of these Pianos. Contrast the quality of these Pianos with instruments of similar grades elsewhere and you'll note a marked difference. We have these three makes from the lowest to the most expensive.

We have a large number of used Organs on hand at present which must be sold. We, therefore offer some of them as low as \$10. These Organs were taken as part payment from parties who purchased new pianos of us. Come and inspect these Organs, as there are some great bargains among them.
